Worksheet 2 Year 3 English

This is the start of a story about these possums:

She gritted her teeth and began the climb.

With her vulnerable young perched precariously on her back as she ascended the branch, the extra weight caused her paws to tremble, and her sensitive whiskers to twitch at the strain.

Now that their nest had gone, and storm clouds gathering overhead, she was desperate to find a new location to begin building again. It was their only chance…

Can you continue the story of the possums as they strive to find a new home?

You could do further research on possums and produce a non-chronological report or fact poster about them
