Worksheet 7 Year 1

Maths task: Odd and Even numbers.

Watch this Numberblocks video all about odd and even numbers:
https://www.youtube.com/watch?v=0wzyD3qrWUc

Today we are going to try and split odd and even numbers into half. Remember this is the same as dividing by 2. Use your objects (twigs, leaves, pasta, counters, blocks etc.) to help you.

What happens when we half **even** numbers?

a. 2 b.4 c.6 d.8 e.10 f.16

Did you notice anything? Think about if they split into two groups equally.

What happens when we half **odd** numbers?

a. 3 b.5 c.7 d.9 e.15 f.19

Did you notice anything? Think about if they split into two groups equally.

Explain what you discovered:

_____

_____

_____

EXTENSION: Go on a walk and see what different odd and even numbers you can see in the environment. Can you tell which numbers are even and which are odd? Tip look at what number is in the ones column.
