Topic

For worksheet 11 you have 4 information sheets. Each sheet has facts about an American city. You then have a question sheet that is split into 4. There are questions relating to each city that you need to answer. All the answers are in the information sheets, you just need to fine it!

Worksheet 12.

Look at the Totem Pole powerpoint. After you have read through it you can create your own 3D totem pole using the template provided. You will need to colour it in, so look carefully at the colours used in the original totem poles and use that as your inspiration.
