

Dear Parents/Carers,

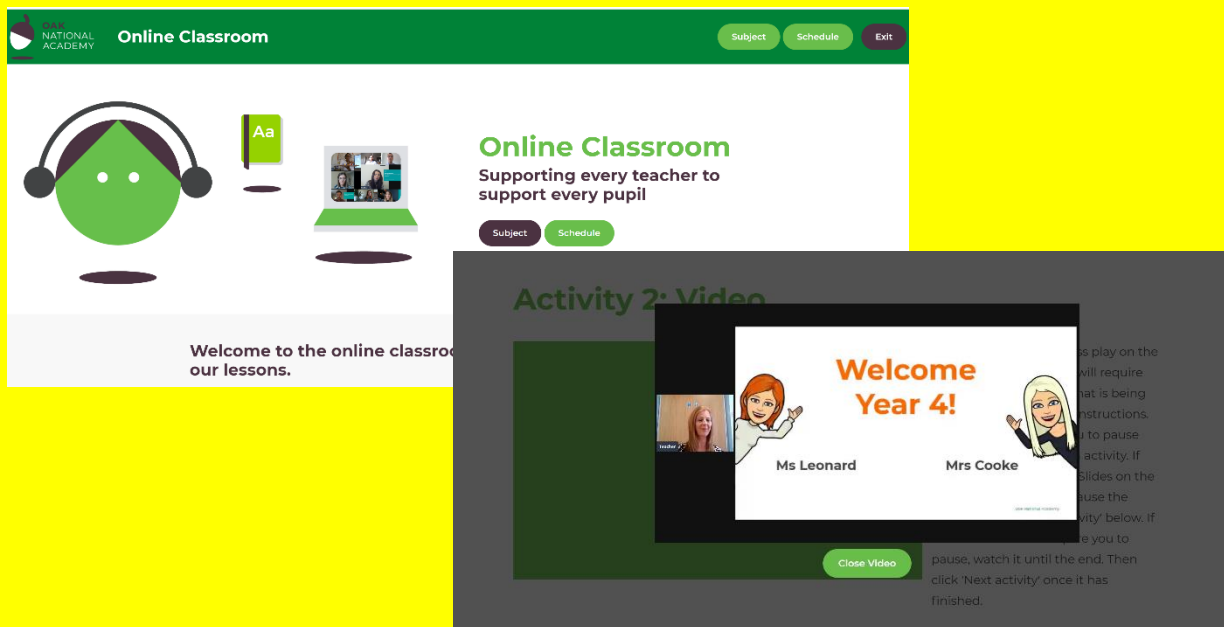

Please find attached some amazing resources of **live lessons** for our children during this time. It will cover many subjects and contains videos for the children to watch before follow work to have a go at:

GREAT ONLINE RESOURCES AVAILABLE

The screenshot shows the BBC Bitesize website interface. At the top, there's a navigation bar with 'Home', 'Learn & revise', 'Support', and 'Careers'. Below this, a large banner reads 'Primary Levels' for 'Ages 3 to 11'. A secondary banner says 'Daily lessons coming soon' with a sub-header 'Beginning Monday 20 April, BBC Bitesize will publish daily online lessons for all ages. We'll also have a new dedicated TV channel full of learning content, podcasts on BBC Sounds and loads of educational video on iPlayer.' Below these are two main buttons: 'Primary' (Age 3 to 11) and 'Secondary' (Age 11 to 16). At the bottom, there's a grid of regional options: England (KS1 Year 1 to 2, KS2 Year 3 to 6), Northern Ireland (Foundation Stage Primary 1 to 2, KS1 Primary 3 to 4), Scotland (Early level Primary 1, 1st level Primary 2 to 4), and Wales (Foundation Phase Reception to Year 2, KS2 Year 3 to 6).

LIVE BBC LESSONS AVAILABLE TO WATCH FROM 20.4.20

The screenshot shows the 'Online Classroom' interface from The National Academy. It features a green header with 'Subject', 'Schedule', and 'Exit' buttons. Below the header, there's a large illustration of a green character wearing headphones and a laptop. The text reads 'Online Classroom Supporting every teacher to support every pupil'. A video player is shown with a 'Close Video' button. The video content displays a 'Welcome Year 4!' slide with two female teachers, Ms Leonard and Mrs Cooke, and a list of instructions for using the video player.
