

Why do zebras have stripes?

Hello Starfish!

We hope you are having lots of fun at home with your families and finding all sorts of things to keep you busy! We have been busy cooking, reading, sewing, exercising and gardening. We are really missing your super smiles and all the lovely chats we have at school. Soon it will be Easter....maybe you will have an Easter egg hunt! Hopefully we will have some lovely sunny days ahead so everyone can enjoy time in their garden too!

Our next topic at school is **"Why do zebras have stripes?"**

In this topic you can explore the whole world and find out all about the different, wonderful animals that live all over the planet! What is your favourite animal?

Here are some links to help get you started on your animal adventure:

Can you guess the different animal sounds? <https://www.youtube.com/watch?v=Qd6wZHUdCUg>

Watch some real life animals at Edinburgh zoo (look out for feeding time!) <https://www.edinburghzoo.org.uk/webcams/panda-cam/>

Watch and play some of Andy's animal games! <https://www.bbc.co.uk/cbeebies/shows/andys-safari-adventures>

Missing you all lots! Stay safe and, hopefully, see you soon!

Love from Mrs Fensome and Mrs Parker xxx

What do they like to eat?
diet

Where do different animals live?
habitat
