

# Why do zebras have stripes?

Hello Turtles!

I hope you are all still smiling and staying safe while you're at home! I am sure you are finding lots of fun things to do to keep busy and I can't wait to hear all about it when I see you next! It is very strange not seeing your lovely faces everyday but I am keeping busy by trying some new things. Tilly Turtle and I have been exercising, reading, knitting, gardening and cooking to pass the time. We are hoping that we will have a visit from the Easter Bunny on Sunday! I wonder how many Easter eggs you will get.

Our next topic at school is "**Why do zebras have stripes?**"

In this topic you can explore the whole world and find out about the different, wonderful animals that live all over the planet! What is your favourite animal?

Here are some links to help get you started on your animal adventure:

Missing you all lots! Stay safe and, hopefully, see you soon!
