

Why do zebras have stripes?

Hello Dolphins!

I hope you are having lots of fun at home and finding all sorts of things to keep you busy! Derek and I have been doing lots of crafts, baking and staying active. I am really missing seeing you all every day at school and hearing your funny stories! Have you got any Easter eggs yet? Don't eat them all at once—and remember to share them with your families!

Our next topic at school is

“Why do zebras have stripes?”

In this topic you can explore the whole world and find out about the different, wonderful animals that live all over the planet!

What is your favourite animal?

Here are some links to help get you started on your animal adventure:

Can you guess the different animal sounds? <https://www.youtube.com/watch?v=Qd6wZHUDCUg>

Watch some real life animals at Edinburgh zoo (look out for feeding time!) <https://www.edinburghzoo.org.uk/webcams/panda-cam/>

Watch and play some of Andy's animal games! <https://www.bbc.co.uk/cbeebies/shows/andys-safari-adventures>

Missing you all lots! Stay safe and, hopefully, see you soon!
