

Animal Labelling

Can you label the different parts of the penguin? Use your sounds to write the correct labels. You could even add an adjective to your label e.g black feathers.

Choose your favourite animal sheet to complete or complete all 3!

Challenge!

Write a sentence about the animal! Remember to use capital letters, finger spaces and full stops. You can make your sentence more interesting by adding an adjective. Eg. The penguin has black feathers.

Animal Labelling

Can you label the different parts of the giraffe? Use your sounds to write the correct labels. You could even add an adjective to your label e.g long tail.

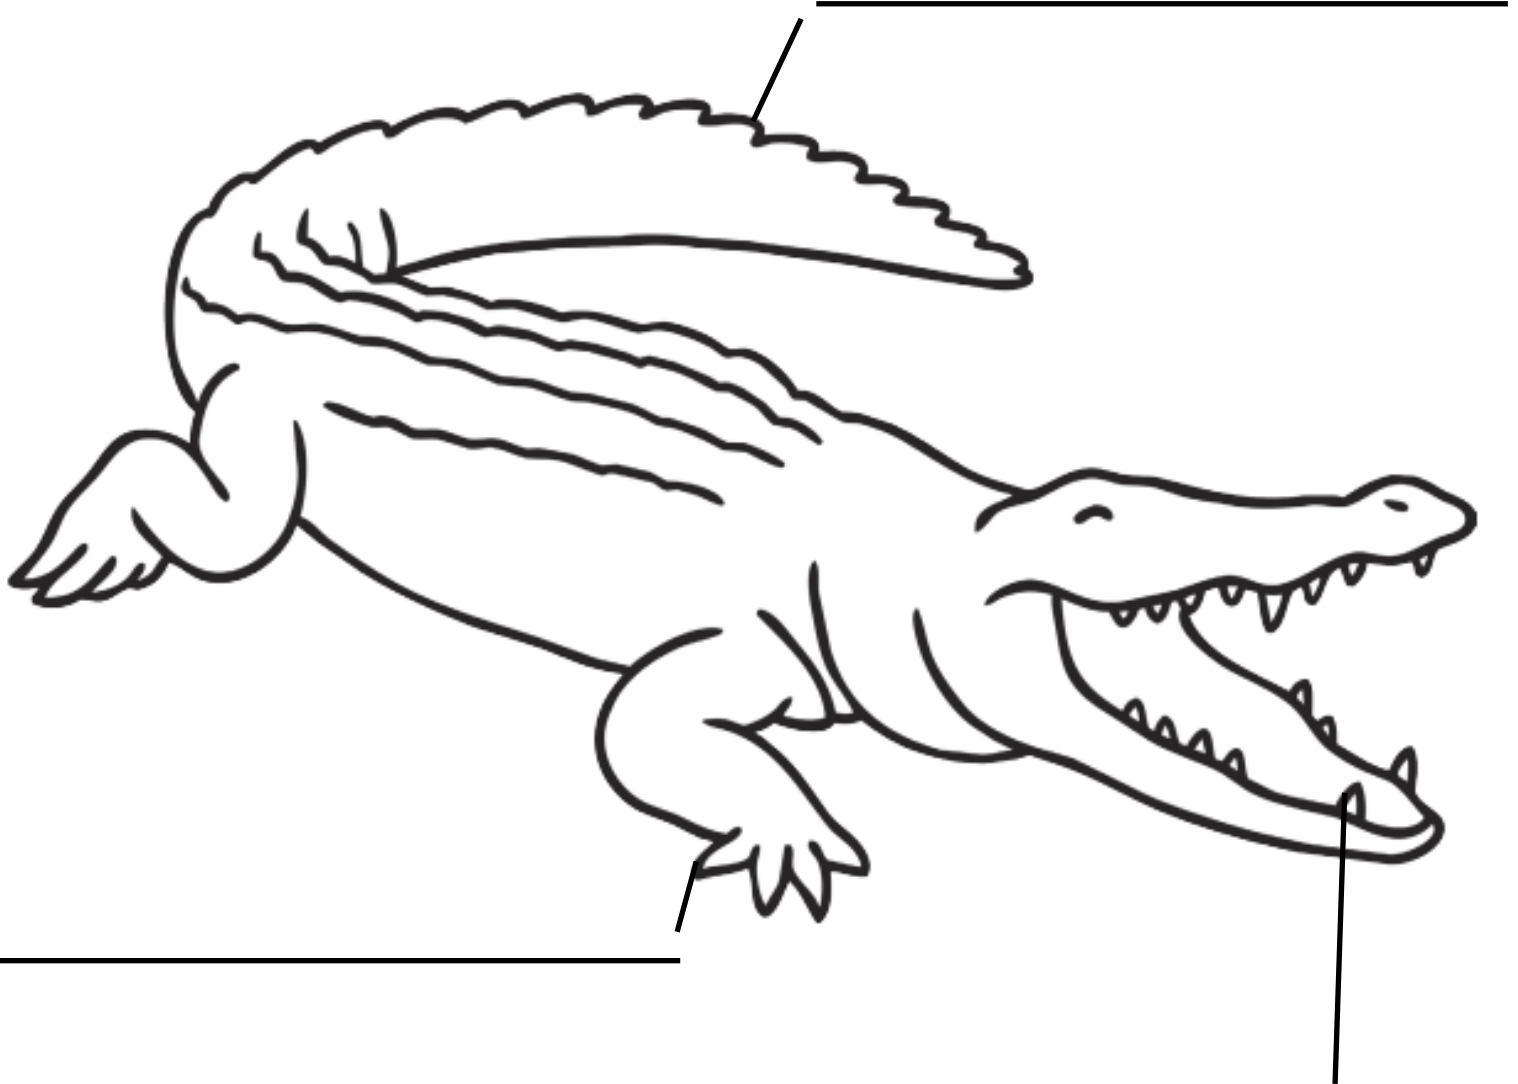

Challenge!

Write a sentence about the animal! Remember to use capital letters, finger spaces and full stops. You can make your sentence more interesting by adding an adjective. Eg. The giraffe has a long tail.

Animal Labelling

Can you label the different parts of the crocodile? Use your sounds to write the correct labels. You could even add an adjective to your label e.g big legs.

Challenge!

Write a sentence about the animal! Remember to use capital letters, finger spaces and full stops. You can make your sentence more interesting by adding an adjective. Eg. The crocodile has big legs.
