

Wb 27.4.20 Worksheet 6 - Counting on

Solve the calculation by counting on a number line.

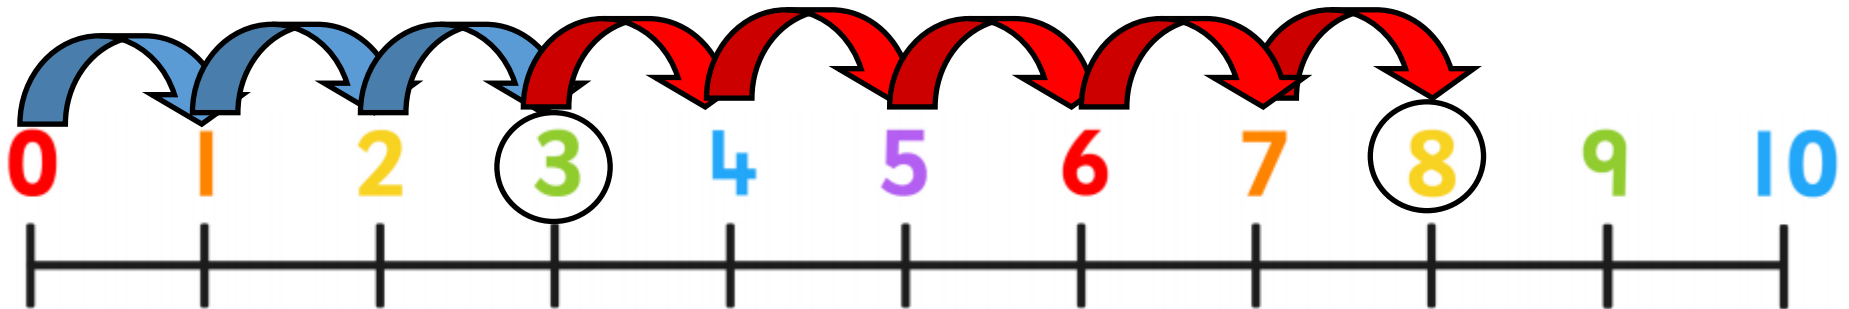

CHALLENGE— Can you think of a calculation for your parents to solve. Check they use the number track properly!

Rabbit threw a 3 on the dice so he counted to 3.

Then he threw a 5 on the dice so he counted on 5 more and landed on 8.

$$3 + 5 = 8$$

$$6 + 4 =$$

$$5 + 4 =$$
