

## Wb 27.4.20 Worksheet 5 - Counting on

Roll a dice and count along the number line. Then roll it again and count on from the first number. Where did you land?

CHALLENGE—Play a game on a number track where you roll a dice to move along the track e.g. Snakes and ladders

What numbers did the birds land on?

Tom rolled 5. What number will he land on?

Sam rolled 2 so what number will he land on now?

Isha rolled 4 and then 3. What number will she land on?
