

Read the sentences below and look at the picture. Are the sentences right or wrong? If they are right, give them a tick, if they are wrong, give them a cross! Some of these words are challenging, encourage your child to use the initial sound of the word and look at the picture to see if they could figure out what the word might be.

The shark is big.

The fish are green.

The octopus is under the fish.

The starfish has lots of legs.

Challenge: Write a sentence about the picture (you could even do a true sentence and a false one and see if your family can get it right!)
