

What am I?

Your writing challenge this week is to pick an animal and write three facts about it (you can use a toy or a photo of an animal to help you if you need to). Then get your family to read your 3 facts, and see if they can guess your animal! Here is an example (the answer is at the bottom):

*I have big ears. I have a fluffy tail. I can jump. What am I?*

Let your child use their sounds to write simple sentences. If they ask how to spell a 'tricky' word, tell them correctly. However, if they are happy just 'having a go' let them use what they know and get them to read the sentences back to you to see if they make sense. If you like, draw a picture of your animal and hide it under a flap. Then whoever reads it can check if they were correct!
