

Watch this episode of Numberblocks and learn and practice counting to 20

<https://www.bbc.co.uk/iplayer/episode/m0006s5q/numberblocks-series-4-14-i-can-count-to-twenty>

We know how to use a 10 frame. Spot the 10 in these numbers and then count on from 10 to find how many things there are altogether.

I can see 10 here.

So I can carry on counting 11, 12 here.

What numbers can you see here? Remember to spot the 10 first.
