

Phonics Practise

In the three boxes below are 3 sounds we would like you to practise, a single letter sound, a special friends sound and a new sound to learn! Have a go at saying the sound, thinking of some words that have that sound in, writing the sound in beautiful Sketchley Script and then reading and writing words or sentences that have that sound in. To support you with learning your sounds, you can access Read, Write, Inc. phonics lessons on https://www.youtube.com/channel/UCo7fbLgY2oA_cFClg9GdxtQ/videos.

and... up to his head, down to his feet, around his body, kick out his leg.

Shhh says the horse to the hissing snake!

Look at a book

How can you fix the sentence?

Have a go at correcting this sentence.

Has it got a capital letter? Are there any finger spaces? What does it need at the end? Have the right sounds been used? Does it make sense?

Hee wos at thetop

Have a go at re-writing the sentence correctly, making sure you include capital letters, finger spaces and a full stop,
