

Foundation Stage Information

Spring Term 2026

Our Topics this term are:

Will you read me a story?

Using a pantomime as a starting point, this topic explores classic fairy tales and promotes a love of reading.

How do we know that?

Explore the prehistoric world! Investigate technology and be an incredible inventor! What will you invent?

This term we will also learn about Chinese New Year, Shrove Tuesday and Mothering Sunday. We are looking forward to noticing the first signs of Spring all around us.

Reminders...

- Bookworm Thursday - Thursday 26th March (change from grand plan)
 - School Closes for Easter - Friday 27th March

Books

- Please ensure your child brings their homework folder and reading books to school on a Friday so we can change them.
- Please remember to put your child's library book in their book bag ready to be changed on a Thursday.

Homework

Homework will be put into the children's folders each Friday. Thank you so much for your support with this, it really does make a difference. We love seeing the children's work on the back.

Please, please, please name all your children's belongings - they all look so alike and it is therefore very hard to match them to their owner without a name in them!

Thank you for your continued support!

Year FS Spring Term 1

Will you read me a story?

Using the pantomime as a starting point, this topic explores classic fairy tales and promotes a love of reading.

Anything that you can do to encourage your child's enjoyment of this topic would be very helpful.
e.g. Research, books, visits, discussions
