Striving Happy Pupils Succeed

Headteacher: Mrs. Philippa Campbell BA(Hons) & PGCE

April 2020

Dear Parents and Carers,

We are delighted that your child has been given a place to join our wonderful school in September.

The current school closures in place due to COVID-19 are presenting an unprecedented situation for us all, but we wanted to reassure you that our EYFS team are working hard behind the scenes to make sure your child has the best possible start to their school life.

We are responding to daily government advice right now and therefore are unable to provide you with the usual timetable for school induction sessions and meetings that we would normally hold with you in the summer term. The health and safety of your family and our school community are our priority.

We will be delivering an information pack to you in early June which will contain information you will need prior to your child starting school and will also include an invitation to meet your child's teacher at the end of August or beginning of September and your child's school start date. At the meeting you will have the opportunity to share lots of details about your child that will ensure their transition to school runs smoothly.

In the meantime, we are putting together videos for both you and your child as an introduction to our school. Once these are available, we will email you again to let you know where and how you can view these.

In the meantime, if you have any questions you would like answering, please email office@sketchleyhill.leics.sch.uk and a member of staff will get back to you. Please also have a look at the school website www.sketchleyhill.leics.sch.uk for lots of information about school life at Sketchley Hill.

Thank you for choosing Sketchley Hill and welcome to our school community. We look forward very much to meeting you and your child.

Yours sincerely

Mrs. Philippa Campbell - Headteacher
