## 50 YEARS OF SKETCHLEY!

Finally, the weekend of our celebrations arrived and how typically British for the weather to turn, when we had such a big event planned. Although the first hour of the event was a little soggy than we would have liked, we were delighted to see so many people turn out to support the event and join in the celebrations. It was brilliant to see so many people enjoying the range of stalls, activities, games and food.

The army of volunteers that arrived to help with setting up and who helped throughout the day were amazing. Everyone worked phenomenally to get everything ready and to keep the day running smoothly.

A huge thank you to everyone for supporting the 50th celebrations. We are still totalling up how much was raised from the day. Currently, the amount raised is over £2500. We will share the final total when we return in September along with a few photos from the day.

**If you helped at the celebrations, please consider asking your employer whether they offer match funding. This is a really easy way to help raise money for the school.  
Please contact us via email for further information.**
