

# **SNOW PLAN**

## HEAVY SNOW DURING THE SCHOOL DAY

The only reason we would ever close our school during bad weather would be if driving or travelling conditions were so dangerous they would put children, families and staff at risk.

In the event of a heavy snowfall during the school day which creates a potential risk for travelling parents / carers and staff, the following procedure will take place:

- The school office will send out a text message and an email to all parents asking you to collect your children from school as soon as possible.
- This message will also be posted on the school website, the PTA Facebook page and our Twitter feed.
- If you receive this message, please help us by spreading the word with any other parents / carers of pupils at our school that you know.
- Please collect your children from school as soon as possible.

Thank you for your support!
