### Summer Info.

- As the weather becomes warmer, it is a good idea to ensure that children bring in a bottle of water to drink from during the day.
- Once test week is over, we will be completing lots of topic work and mini-projects. We will also be thinking about transition to high school.

## Reading

Children should be reading regularly (**at least** 5 times per week) and there should be evidence of this either online or in reading record books - this is checked every day.

## Homework

Homework will continue to be allocated in the weeks up to **Test Week**.

Practice papers will also continue to be sent home and it is an expectation that pupils complete their own revision on gaps as identified in these.

Spelling logs can be taken home at any point and the Year 6 word list is downloadable from the VLE.

The Year 6 VLE contains general revision links for both English and Maths.

## P.E. & Games

Our P.E. slot is usually on a Tuesday afternoon and the outdoor games time is a Friday afternoon. Also, the weather at the beginning of this term can still be cold so it is best to have something warm to wear. Note that there will be swimming catch up sessions for certain pupils; more information will be sent for those that need it.

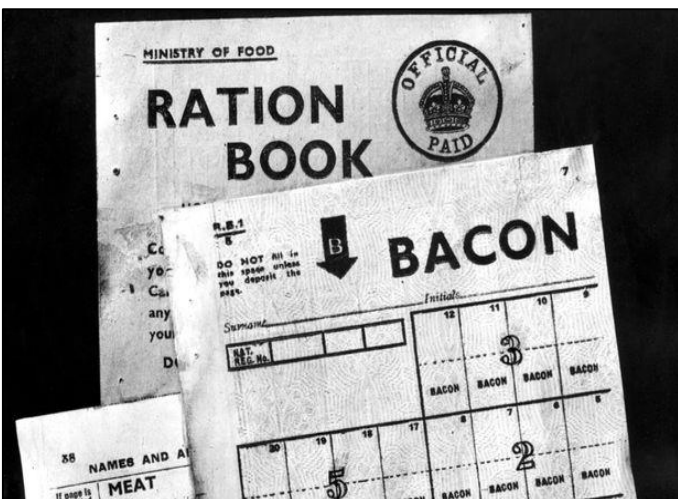

## Important notes

SATs week can be busy and intense for some pupils. Please try to make sure that bedtimes allow plenty of rest, and that pupils arrive at school in good time.

# WHAT WAS IT LIKE TO LIVE THROUGH THE SECOND WORLD WAR?

Anything that you can do to encourage your child's enjoyment of this topic would be very helpful.

*e.g. Research, books, visits, discussions*
