

Animals in hot and cold countries

Giraffes	They have a long neck to see predators from afar.
Elephants	Their trunk pulls branches from trees, uproots grass, picks fruit, and places food in their mouth.
Lions	They have long, retractable claws to help them grab and hold prey.
Polar Bears	They have white fur to help them camouflage in the snow.
Penguins	They have thick skin and lots of fat under their skin to keep warm.

What is it like in the world?

2D and 3D shapes

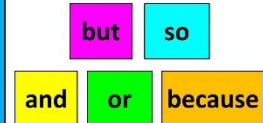

Number bonds to 10

Conjunctions

A conjunction is a connecting word like:

Poetry

Rhyme

Repetition of end sounds is called rhyme.

My dog chewed up my homework.
He slobbered on it, too.
So now my homework's ripped to shreds,
And full of slimy goo. (~Bruce Lansky)
