Reading

Children should be reading regularly (**at least 5 times per week** for a team token) and their reading homework sheets should be signed and where possible commented on by an adult. Every day your child will read as part of their phonics lessons and during their Guided Read session. This will not be recorded in their homework folders.

Homework

Homework folders will be collected in and given back weekly. The sheets will contain information to help you support your child's learning at home. Please make sure their folders are in school with them everyday.

P.E. & Games

The children will need to come to school in their PE kit on their PE days. They should be wearing their team colour PE top and sensible trainers.

In the colder months your child will need to wear something warmer as they will be going outside in their PE kits.

Don't forget...

If you need to talk to us about anything, please pop in or call the office to arrange a phone call. Also, we would be delighted to have any parent helpers, providing you have a current DBS once restrictions are lifted.

Adventure Passport

To further enhance our Curiosity Curriculum, we are excited to be introducing the Adventure Passport this academic year! The full list of adventures are listed below. In Year One, we will be exploring the first 15 throughout the school year. We would like to encourage as many parents and Carers as possible to enjoy the five home activities too. Your children are encouraged to share these adventures during “show and tell”.
