

Maths worksheet 5- Counting in 10's, 5's and 2's

Can you complete the number tracks? Think about what jumps each track is going up in, explain how you knew this to someone at home. Try continuing counting on in this pattern.

Challenge 1: Can you count on in 2's, 5's and 10's from the below numbers?

a) 7
3

b) 13

c) 26

d)

Challenge 2: - What collections can you make using objects found in your house or garden? Can you find a group of 2, 5 or 10? Could you make more than 1 group with these objects?
