

Worksheet 6 Year 1

Maths task - Making doubles.

Add the same amount of dots to the lady bird's other side. Complete the number sentence to go with the lady bird.

Double 5 is 10

or

$$5 + 5 = \underline{\quad}$$

Double 6 is $\underline{\quad}$

or

$$6 + \underline{\quad} = \underline{\quad}$$

Double 7 is $\underline{\quad}$

or

$$7 + \underline{\quad} = \underline{\quad}$$

Double $\underline{\quad}$ is $\underline{\quad}$

or

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

Complete the sentences, the first is done for you:

1.  10 is double 5

2.  6 is double $\underline{\quad}$

3.  $\underline{\quad}$ is double 4

4.  $\underline{\quad}$ is double 6

Extension:
play dominoes
with a
partner. Can
you spot the
doubles?
