Year Two Key Information

Homework Reminders

Please ensure the homework folder is always in your child's bag.

Homework folders are collected in on a Monday. New homework will be given out on a Monday. (More details in homework folders)

Many thanks for your continued support.

P.E. & Games

The children will need to come to school in their PE kit on their PE days. Our PE sessions are usually on a Monday and a Thursday. They should be wearing their team colour PE top and sensible trainers. In the colder months your child will need to wear something warmer as they will be going outside in their PE kits.

Please remove ear rings on these days and ensure long hair is tied up.

General Information

Please ensure that your child brings in a bottle of water to drink from during the day.

Please remember to name any items of school uniform as it is then easier to return lost items to their owners!

There is a lot of lost property!

Don't forget...

If you have any concerns please don't hesitate to come and speak to us.

And... a big request for helpers. If any adults would like to come into Year 2, providing they have a current DBS, to help with a variety of activities (reading, cooking, art) please speak to a member of staff. Many thanks.
