

Dear 2G,
We are missing seeing all of your smiling, happy faces in class. We hope you are all well. Are you remembering to water and look after your sunflowers? You could measure them each week to see how tall they are getting! After Easter we were going to learn about The Great Fire of London - Can you smell burning? If you click on the links below you will be able to find out about it!

We have been playing 2G's favourite game of "Guess the Animal" with our families. Perhaps you have too. If not, you could teach your family how to play.

Happy birthday to all of you that are now 7 or are going to have a birthday soon.

Hope to see you all back at school very soon.
