

Worksheet 6

We have spent a lot of time in class looking at charts and tallies. Can you remember how to make the gate? Could you use this information to make your own tally and chart?

I collected my family and friends favourite bread choices and here they are:

Baguette		7
Brioche		6
White		3
Wholemeal		5
Brown		2

Can you fill in the tally and draw a bar chart to show this information?
