

## Worksheet 4 - Grammar task

Adjectives can add interest and detail to our writing and are really useful when writing descriptive pieces. Can you re-write the sentences using 2 adjectives each time? Remember you can use a thesaurus (book or online) to help you find effective words - or to find a new word that you didn't know.

Eg

The fire was big.

The orange, glowing fire was big.

The bakers shop was on the corner of Pudding Lane.

---

Samuel Pepys wrote a diary about the fire.

---

The Thames was used for people to save belonging and stay safe.

---

People tried to put the fire out with small leather buckets.
