

Year 2 – Worksheet 6

Maths – Double & half

Can you double and half these numbers?

1. Halve 12

2. Halve 18

3. Double 10

4. Double 9

5. Halve 16

6. Halve 20

Now try to double these amounts of money and write the answers in the boxes.

7.   

8.  

9.  

10. Halve 10p

11. Halve 14p

12. Double 8p

13. Double 6p

14. Halve 18p

15. Halve 12p

Make the amount using real coins.  
You may need to use just pennies to help you halve the amounts.  
Extension idea  
Find doubles and halves of larger amounts.
