

Maths - Sharing by 2 and 5

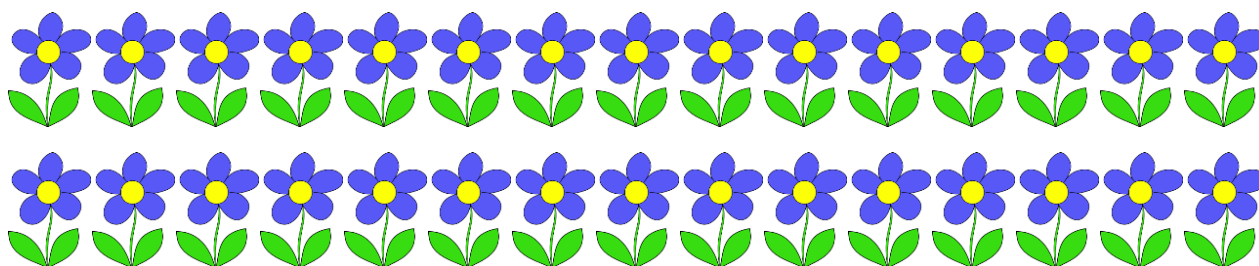

1. Here are 18 bananas. They are shared equally between 2 monkeys.

Each monkey gets bananas.

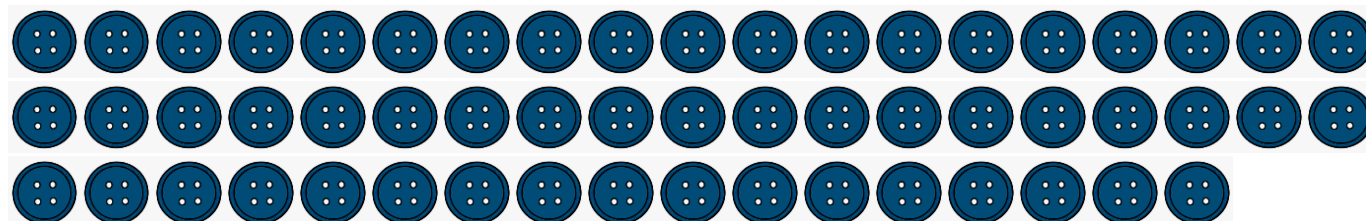

You could use counters to help you.

2. Here are 30 flowers. They are shared equally between 5 children.

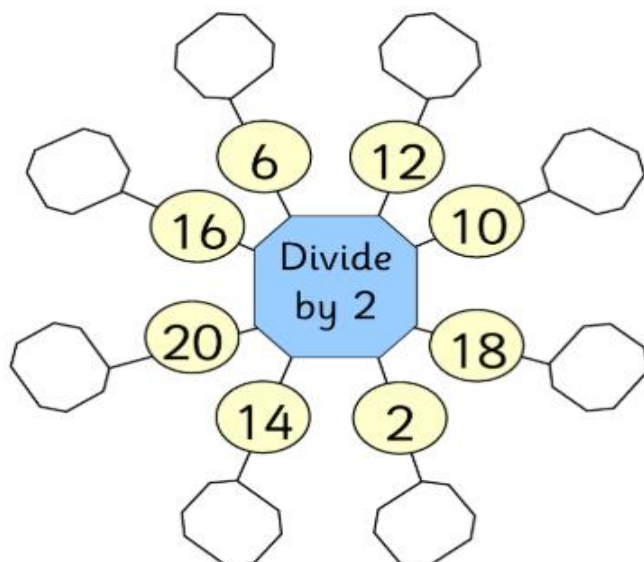

Each child gets flowers.

3. Here are 55 buttons. They are shared equally between 5 children.

Each child gets buttons.

4. Complete the division star.

Extension idea

Draw your own division star for the 5 x table.
