

Year 2 – Worksheet 6

Maths – Dividing by 5

Remember you can use counters to help you!

<https://www.youtube.com/watch?v=lymBFWfETL4>

These are all divide by 5 questions.

1. $10 \div 5 =$

2. $25 \div 5 =$

3. $40 \div 5 =$

4. $15 \div 5 =$

It's a really good idea to learn the 5 times table off by heart!

Divide these numbers by 5.

5. 50

6. 45

7. 35

8. 5

9. 20

10. 30
