

Your task is to write a diary entry pretending you are the young boy who has found this secret island. Remember a diary is written in first person so you need to use 'I' not 'he'.

Think about:

- Describing the island
- Where is this place?
- Does anyone live here?
- What kinds of plants and animals grow/live here?
- What is the boy doing? Why is he on his hands and knees?
- Has he been here before?
- Why is the tiger sitting in the boat? Does it want to go onto the island?
