

## Worksheet 8 Year 3 20.4.20 Be Creative

This term we will be learning all about graffiti and graffiti artists like Banksy. (Use the links on the Year 3 letter to help you get a good idea.)

To start you off, you can have a go at completing a graffiti design and then design your own.

In keeping with our theme and with the situation we are all in at the minute, this design is perfect.

Colour it in with bright colours to make it stand out.

Now, have a go at your own. Use a message like STAY AT HOME or SAVE LIVES and design it like the one you have just completed.

Use bubble writing or groovy capital letters to make it look cool.

Do lots of practise on paper, if you can, ready for next week's activity!
