

## Worksheet 2      Year 3

This illustration is from a wordless picture book called 'Journey' by Aaron Becker. As the book has no words in it, you have to really use your imagination as you turn the pages. The young girl draws a door in her bedroom using a magic red pencil and as the door opens, she steps into the forest below.

Your task is to write an adventure story using the picture to give you some ideas. Remember your story needs a beginning, middle, a dilemma, a resolution to the dilemma and an ending.

Think about these questions before you start planning and writing:

What's on the other side of the door?

What else could she draw with the pencil?

Where is this?

Could there be any other characters?

Who hung the lanterns in the trees?

Where does the stream lead?

Will the girl go back through the door or stay in the forest?
