

Worksheet 12 Year 3 18.5.20 Be Curious

On this sheet, have a go at your own art like the new one Banksy has created (see below), but you can change the boy in the picture to you or change the character that is being played with. This will depend upon what you think the character is and why it has been chosen.

You can complete it in pencil and use sketching skills that Mrs Williams taught you in Art. If you would like to colour in certain areas, that is fine! Best of luck!
