

Worksheet 11 Year 3 18.5.20 Be Curious

This week, you may have seen a new piece of art created by Banksy.

This is it...

He created it to go on display at Southampton General Hospital. Why? What does it show? What is the message Banksy is sending?

We would like you to talk to someone at home about what this shows and why. When you've done that, explain what you talked about in the speech bubble below.
