

SHQ: Why are trees and plants important?

Have a look at this Bitesize link all about why plants are important...

<https://www.bbc.co.uk/bitesize/topics/zxfrwmn/articles/zss9msg>

Using the information, create a poster showing what you have learnt about why and how plants and trees are important.

Make your poster bright and colourful, you could perhaps google some images and glue them on, use text boxes or any other means of presentation you choose. If you like, you could present it using ICT, but enter your own information rather than copy and paste it.

Have a go at the Bitesize quiz when you've finished.
