

Year 4 Spring Term 1

What makes the biggest bang?

The amazing world of potions and their properties

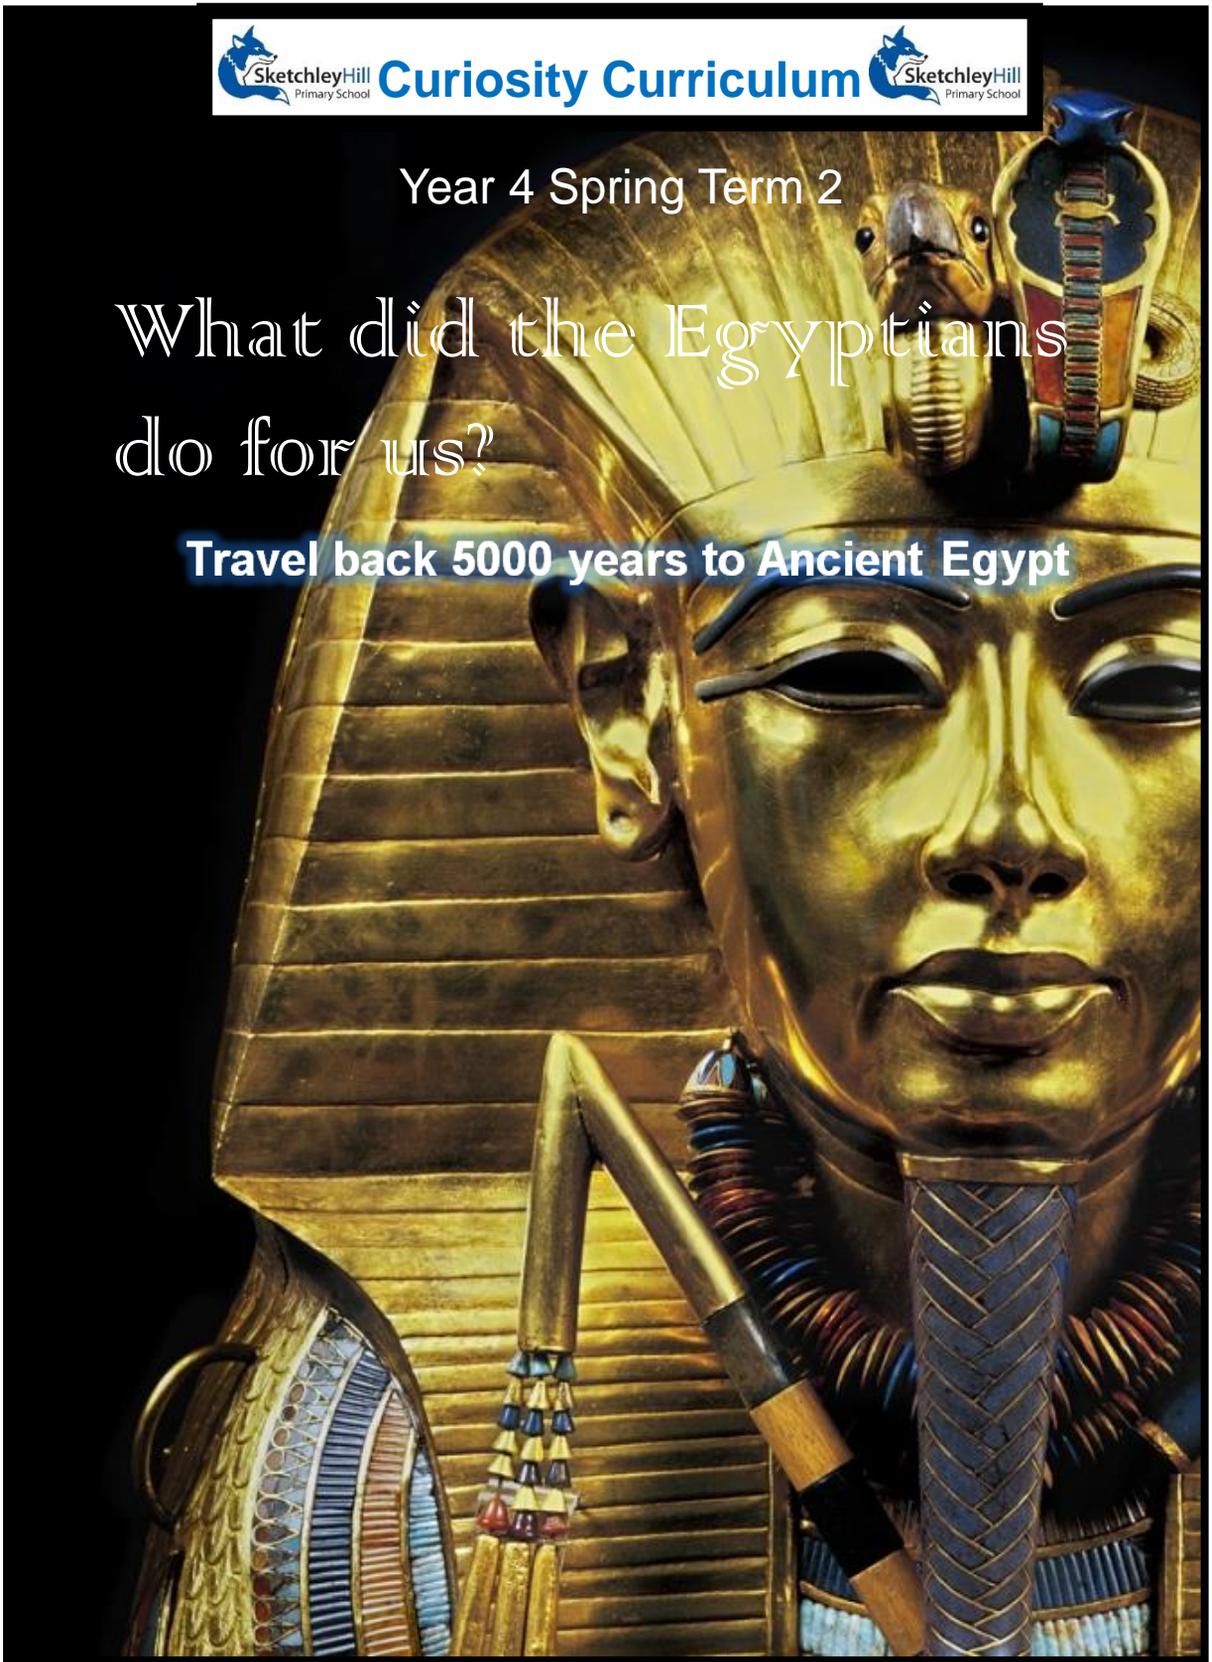

Anything that you can do to encourage your child's enjoyment of this topic would be very helpful.

e.g. Research, books, visits, discussions

Year 4 Spring Term 2

What did the Egyptians
do for us?

Travel back 5000 years to Ancient Egypt

Anything that you can do to encourage your child's enjoyment
of this topic would be very helpful.

e.g. Research, books, visits, discussions

Year Four News

Science	States of matter Keeping warm Electricity
P.E.	Team games
Computing	Programming and control

2 nd Half-term	
English	Explanation texts Newspaper Reports Diary entry
Maths	Fractions Decimals
History	Ancient Egypt
P.E.	Team Sports
Computing	Text and multimedia

P.E. & Games

Our P.E. slot is usually on a Thursday and Friday.

Children must come to school in suitable PE kit on BOTH days. Children are not able to get changed in school. Please help us by making sure your child has suitable clothing in case of adverse weather conditions.

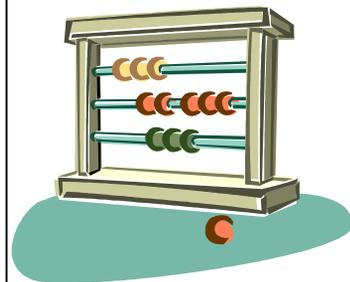

Homework Reminders

Given out on a Monday, to be returned by the following Monday. This year more of our homework will be on the school website and the MyMaths platform. If your child struggles, please don't worry, encourage them to have a go the work will be discussed with the children during the week. **We expect the children to read to an adult as regularly as possible.** (We reward the children for reading and having their homework folder initialled).

Maths

As you will have noticed, the way Maths is taught now is returning to traditional methods. The methods that children learn build up over time; they begin to understand why mathematical processes are happening. **By year 4, children should be practising all of their times-tables and related facts (up to 12x12) as regularly as possible, to the point of instant recall.** The government have introduced a Multiplication check so we encourage children to practice at every opportunity. TT Rockstars is a fantastic way to engage and encourage your child to improve their multiplication knowledge.

Talk To Us

If there are any problems come and see us. Many a misunderstanding or issue can be cleared up in a few minutes. We are here to help your child; that's why we're teachers! We want everyone to achieve their potential and enjoy their school experience.

The Year 4 Team

Adventure Passport

We are excited to be introducing the Adventure Passport this academic year. The full list of activities are listed below. In year 4, we will be exploring the first 15. We would like to encourage as many parents and carers as possible to attempt the five home activities. Children are encouraged to 'show and tell' these activities in class.

Year 4

Activity

	✓	Date:
1. Write in hieroglyphics	<input type="checkbox"/>	<input type="text"/>
2. Create a display for show and tell	<input type="checkbox"/>	<input type="text"/>
