Science	Food chains	**PE**	Swimming & Tag Rugby
D & T	Mountains	**Music**	Pitch

P.E. & Games

The last swimming session for the current group will be on Friday 30th January.

Class 4SA and children in 4K with surnames J-Z will start their swimming sessions on Friday 6th February.

Children need to come to school in their PE kit on these days.

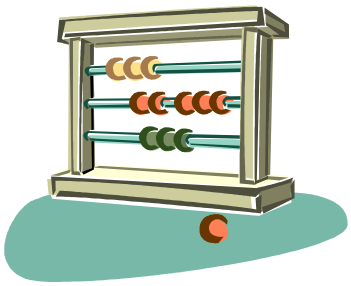
PE will continue on a Thursday and a Friday for the rest of the year group. Children can attend school in their PE kit.

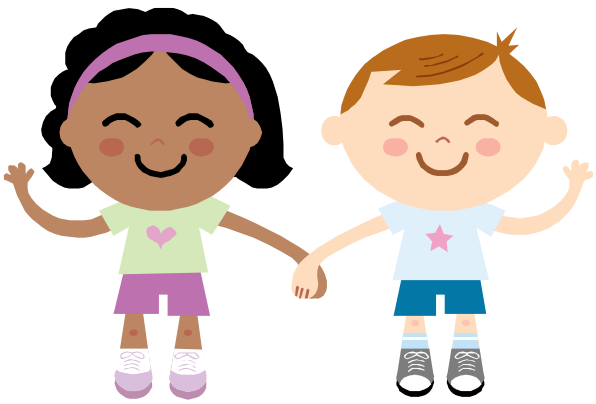
Homework Reminders

Given out on a Monday, to be returned by the following Monday. If your child struggles, please don't worry, encourage them to have a go. We expect the children to read to an adult as regularly as possible. (We reward the children for reading and having their homework folder initialled).

Maths

By Year 4, children should be practising all of their times-tables and related facts (up to 12x12) as regularly as possible, to the point of instant recall. Due to the Multiplication Tables Check, we encourage children to practice at every opportunity. TT Rockstars is a fantastic and fun way to engage and encourage your child to improve their multiplication knowledge.





Talk To Us

Year 4 made a brilliant start in the Autumn Term and we hope this will continue. But if there are any problems, come and see us. A misunderstanding or issue can be cleared up in a few minutes.

We want everyone to achieve their potential and enjoy their school experience.

The Year 4 Team
