

As you know, our topic for this half term is 'Road Trip USA'

If you could visit any state in USA, which one would it be? Would it be New York, to visit the Statue of Liberty and see a show on Broadway? Perhaps you would chose to go to South Dakota to see Mount Rushmore? Maybe to Florida to see Walt Disney World?

Your Task: Create an advert persuading your teacher to visit that state. You can present it any way you wish: a poster, a leaflet, drawing or perhaps you could even make a model of a famous landmark.

1. Choose your state and think about why people would want to visit it.
2. Research the state. Can you find out any interesting facts about it?
3. Decide how you want to present the information: leaflet? poster? etc.
4. Design an eye catching layout.
5. Include interesting pictures.
6. Be creative!
