

A group of children were asked what their favourite fruit was. Their responses were collected and are shown in the graph below.

Answer the following questions:

1. What is the favourite fruit?
2. How many children chose apples as their favourite fruit?
3. How many more children chose bananas than grapes as their favourite fruit?
4. How many children chose apples or pears as their favourite fruit?

1. Which three months sold the most ice-creams?
2. Why do you think this is?
3. Why are sales higher in July and August?
4. Which months had the lowest sales? Why do you think this is?
