

Bug Hunt!

Have a look at the Bug Hunt PowerPoint and familiarise yourself with the different types of creatures that you may be able to find. Using the recording sheet see how many of the creatures you can find and where you find them.

You could do this in your garden or when you are out for your daily exercise walk. If you find any creatures NOT on your list then write down what they are and where you found them.

Minibeast Recording Sheet

Complete the table as you find each minibeast. Put a tick in the box where each minibeast was found.
