So, many of us will have a favourite song. It might remind us a certain time, a place, a person or a feeling. We know that there are many different genres of music: pop, rock, classical, rap, hip-hop, heavy metal.....all sorts!

Your task is to write a set of lyrics to your own song.

Click on the link above and it will take you to a BBC Bitesize introduction to writing song lyrics.

The two links below will give you two pieces of instrumental music that you might want to write your lyrics to. You can, of course, use a different piece of music altogether if you wish. Find something that fits your style.
