

Fantasy: Imagineering

The title of this picture is 'Dream Big'.

What do you think is happening here?

Is the girl touching the stars? Did she draw the constellation?

Is the animal beside her a dog? A wolf? Something else?

Why does it have trailing lines? Is it real? Is it her pet? Could it be a daemon, like in Northern Lights?

Why are they standing on piles of books?

Does this picture have a message? What could it be?
