### River Poetry

Create a poem about a river which includes technical vocabulary you have learnt from topic. Your poem may rhyme, in which case spend some time thinking about words that would rhyme with those in your wordle from yesterday.

Perhaps your poem doesn't rhyme but describes your river scene with lots of figurative language to create a beautiful image. Finally decorate your poem with a river creature behind the text. Use your pencils lightly so that your words remain a strong feature.

There are a list of poem types attached for you to choose your own style.
