

SHQ: How do I use my maths knowledge and skills to complete a maths investigation.

In your previous lesson you hopefully solved the first two clues in the investigation. Today you will be completing your research and solving the final two clues:

You will need to refer again to the resource for worksheets 6-7 and read the instructions carefully.

Today you will be solving the following clues:

Clue 4: football statistics

Clue 5: multiple choice

When you have completed your investigation, summarise your findings and make your conclusions.

You can check your answers with the answer sheet for worksheets 6-7.

We hope you enjoyed the investigation.
